ST. JOHN IS DEAD

Heat Prostration Fatal to Former Kansas Governor.

Aged Temperance Worker Unable to Regain Health.

STATE EXECUTIVE TWO TERMS

Was Prohibition Candidate for President in 1884.

Was for Suffrage—Made 4,500 Speeches Against Liquor.

Olathe, Kan., Sept. 1.—John P. St. John, candidate for the presidency on the Prohibition ticket in 1884, twice governor of Kansas and one of the most widely known temperance advocates in the United States, is dead here. He was 83 years old and had been in failing health since a heat prostration two months ago, while on a speaking tour.

John P. St. John, former Kansas governor, who died last night.

While speaking at Jetmore, Kan., on June 20, in behalf of the Prohibition cause, Mr. St. John was overcome with the heat. He cancelled his speaking engagements and returned to his home, where he rallied sufficiently to enable him to attend the national Prohibition convention at St. Paul, Minn., in July. On his return home he spoke at Shelbyville, Ill., which proved to be his last public utterance.

Dry Candidate for President.
John Pierce St. John was one of the most widely known temperance advocates in the United States. He was a candidate for president on the Prohibition ticket in 1884, and served two terms as governor of Kansas—1873-1883—during which Kansas became a prohibition state.

Born at Brookville, Ind., February 25, 1833, St. John served as a captain and lieutenant-colonel in the Civil war, and settled in Kansas, where he became a member of the state senate. He became a political factor when he won a fight to displace United States Senator Samuel E. Pomeroy. Pomeroy and St. John had been personal friends, but the latter became displeased at the way Pomeroy conducted himself as a senator, and thereupon championed John J. Ingalls, Pomeroy's opponent, who won. This made St. John a leader and resulted in his election as governor.

Stumped for Suffrage.
He was called a "traitor" when he deserted the Republican party and became a candidate for president on the Prohibition ticket in '84. During his campaign he was burned or hung in effigy more than 500 times. He was twice shot at, but unhurt. Many Republicans attributed the defeat of James G. Blaine for president to St. John's entrance into the race.

In 1912, notwithstanding his advanced age, he stumped Kansas for woman suffrage, declaring that when women had the vote they would have prohibition. In 1914 he campaigned in the east for prohibition, estimating that up to that time he had, altogether, traveled 350,000 miles and delivered 4,500 speeches in behalf of the prohibition cause.

When he was in the Kansas capitol he inaugurated the first "water banquet," with the result that liquor has been under taboo in the Kansas state house ever since.

HUNT ALLEGED SLAYER

Stockton Cobbler Wanted for Death of Young Farm Hand.

Stockton, Kan., Sept. 1.—Fred Altergott, a German shoe repairer, is being sought in connection with the death here of Lewis Barks, whose body was found in Altergott's shop last Tuesday. The cobbler has been traced as far as Salina but there the trail was lost. The coroner's jury has returned a verdict charging Altergott with the murder and a warrant has been issued for his arrest.

Barks, a 19-year-old boy, and an older brother had been working on a farm near here. They came here to find a place to stay one night and Altergott is said to have invited Lewis to stay with him. Altergott left the next morning but notified his customers that he would be back Saturday. He did not return, and his body was found by citizens broke in the door of the shop and found the body.

Officers in all cities of Kansas have been notified to watch for Altergott.

Famous Theologian Dead.
Pittsburg, Sept. 1.—Rev. Dr. Matthew Brown Riddle, aged 80, last surviving member of the American committee on New Testament revision and one of the best known theologians of the reformed church, is dead at his home here. Besides contributing to periodicals he was editor, translator and author of more than a score of volumes recognized as theological commentaries.

HAS SPENT OVER \$700.00

Mr. J. C. Burnes, of 318 Jefferson street, states, "I have spent over \$700 treating my wife and must say after four years of suffering she has received more benefit from the one dollar spent for Hazlett's Wild Cherry Compound than the whole of the \$700. Hazlett's Wild Cherry was recommended by friends to us and I must say that we are greatly pleased, as my wife surely has been greatly benefited. After a fair trial must confess that it is a medicine of true merits." Surely a medicine that will produce such good results deserves your consideration. You should investigate. Hazlett's Wild Cherry is a crude herb compound, and in harmony with nature and is a splendid tonic for women. Every hour in the day some one will be found at A. C. Klingaman & Co. with a friend recommending Hazlett's Wild Cherry Compound, due to the fact that he or she have themselves received benefits by its use. Hazlett's Wild Cherry is a crude herb compound, not a so-called cure, but is a compound of crude herbs long known for their true value. Hundreds of people in Topeka are taking Hazlett's Wild Cherry. You are pleased, why not you try a few doses. It will rid you of your constipation and thereby relieve that aching head and those throbbing sides, rid your stomach of the gas, the liver of its surplus bile and you will be pleased the same as all who try. You will sleep well, eat better, rest easily after a few doses. A. C. Klingaman & Co., 120 E. Sixth street, will sell a few days three one-dollar packages for one dollar. Same will be mailed you. You will be pleased with your judgment if you will investigate.—Adv.
